Measurement Form

First Fitting: Please visit Town & Country Tuxedos for a fitting at least one month prior to the event. If you are unable to visit our location, most tuxedo shops will provide a complimentary measurement. A proper fitting is based on the quality of the measurements taken, so please make sure the sizes that are taken when measured are the sizes that are submitted on the form. Bring this form with you when getting measured and ask the retailer to complete the sizing information in the box below.

Sizing to be completed by a retailer			
Coat	Coat Size	Coat Sleeve	Name
Pant	Waist	Outseam	Best Phone
Shirt	Neck	Sleeve	Alt Phone
Shoe	Size	Vest Size	Event
Height	Weight	Age	Event Date
Notes:			

Final Fitting: Please try-on your tuxedo on your scheduled pick-up date, usually 2-4 days prior to your event. This is considered to be a final fitting, adjustments, re-sizing or exchanges may be necessary. Please allow enough time so that we may provide the best fit for your garments and have exchanges ready for you.
